2025 taxes - checklist

2025 taxes -- what I need -- started March 8, 2026

Documents

• [x] W-2 from Virginia Tech (GRA) -- arrived Jan 28

• [x] 1098-T tuition statement -- downloaded from Hokie SPA

• [x] 1099-INT from savings account

• [ ] Virginia state return: check whether any part-year issues (no, full year in VA for 2025)

• [x] Health coverage form -- not needed for federal

Questions

• Is the tuition waiver taxable? -> qualified tuition reduction, not taxable for a GRA; confirm 1098-T box 5 vs box 1.

• Can I deduct the conference registration I paid myself? -> no (employee expenses not deductible federally).

• Moving in August 2026 -> matters for 2026 return, not 2025.

Plan

File federal + Virginia with free file software by April 12. Keep PDFs of both returns in iCloud "Taxes/2025".

Done

Filed April 11, 2026. Federal and state accepted April 12.
