Block 4 - Aug 10 to Oct 15 - half marathon build

Block 4 -- 10 weeks -- goal: Bay Area Half Marathon Oct 15, sub-1:25 -- 9-11 h/week

Principles

- Most volume in Zone 2 (HR 138-152). Easy days easy.
- Two quality sessions a week max. Never back to back.
- Cycling and elliptical count toward hours, not mileage.
- Long run grows to 2:00 by week 7, then holds.
