Surplus - Fall 2026 Residents Handbook

Surplus -- Fall 2026 cohort -- Residents handbook -- Program lead: Lena Hoffmann

Welcome

You are one of nine teams in the Fall 2026 cohort. The program runs from the August 11 kickoff to Demo Night in mid-November. The house is both a workplace and a home; this handbook covers how we share it.

Weekly rhythm

Day	What
Monday 10:00	stand-up: each team, 2 minutes, one number that moved
Wednesday 18:00	founder dinner (house kitchen, rotating cooks)
Thursday	office hours with mentors (sign-up sheet in the shared drive)
Friday 16:00	demo hour: show something working, however small

House rules

- Quiet hours 23:00-07:00 in bedrooms and the upstairs hall. The garage studio is open 24 hours.
- Label food in the shared fridge with your name and date; unlabeled items are cleared on Sundays.
- Guests sign in at the front desk tablet; overnight guests need a day's notice to Lena.
- Bikes in the side yard rack, not the hallway.

Getting help

Program questions: Lena. House maintenance: maintenance form in the shared drive. Urgent issues: the house phone list on the fridge.

Milestones

Week 2: one-page company summary to Lena. Week 6: mid-program review. Week 13: Demo Night rehearsal.
