The house

• Quiet hours 10pm-7am. Dishwasher and laundry before 10pm.

• Shared pantry shelf: anything unlabeled is fair game.

• Bikes in the garage; the door code is posted on the fridge, never in Slack.

• Chore wheel rotates monthly and lives on the fridge.

Coworking side

Badges at the front desk. Desks are assigned per team at kickoff. Whiteboards are wiped every Sunday night, so photograph anything you need.

Phone booth and meeting room

The phone booth is bookable through the house calendar (link pinned in #announcements), 45 minutes maximum per booking. The meeting room seats 6 and is first come, first served outside office hours.

Agreements

Each company signs the residency agreement once, by one officer, in the legal name on its certificate of incorporation. The August addendum removes the shared-IP clause; every team must sign it by Aug 31.
